PANCHO

THE LITTLE MEXICAN

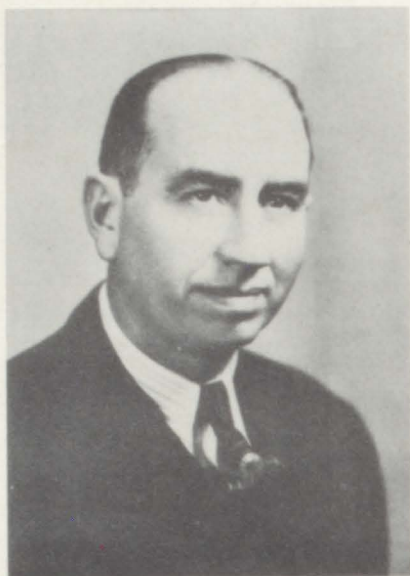

A yearbook seems to be one of the most helpful means of bringing back memories of the joys, no matter how simple, of high school life. We think that the joys of school life at Armstrong High are worth remembering, and believe, further, that this is reason enough for the effort of publishing a yearbook.

We wish to thank all those who have helped in anyway to make this annual possible. The staff is especially grateful to our advisors, Miss Theurer and Mr. Young, for their assistance. The seniors sincerely hope this Resume' will live up to your expectations.

So, we the class of 1950 leave our mark of interest and industry--the Resume' of '50

CLASS HISTORY

In the month of May in the year of Our Lord 1950, twenty-seven adventurous and happy seniors are leaving good old Armstrong to seek the treasures the world holds in store for them, leaving four years of exciting school days behind them.

Let us go back four years and see who were freshmen in the class of 1946. There were thirty-four green freshmen who entered to begin the first of their four years at A.T.H.S. The first class meeting saw the following officers elected: Ann Brown, president; Richardean Holt, vice-president; and Eddie James, secretary-treasurer; Gene Sharpf and Maxine Johnson, Student Council members. One of our social whirls of the year was a skating party held at Potomac Park. Our class sponsor was Mrs. Mildred Pemberton.

In the fall of 1947 when we entered, the streaks of greenness were beginning to fade away, and we were becoming a little more accustomed to the school. We elected Eunice Heckerson, president; Gerald Roberts, vice-president; and Marcella Criblez, secretary-treasurer. Student Council members were Gene Sharpf and Ann Brown. A high light of our year as sophomores was giving a mixer to start raising money to present the seniors a banquet next year. Mr. Pemberton and Mr. Evans acted as class advisors and we completed another successful year at Armstrong.

Finally in 1948 we had reached the stage of jolly juniors. We had an enrollment of thirty students. Gerald Roberts was elected president; Marcella Criblez, vice-president; Ann Brown, secretary; and Joe Smith, treasurer. We chose Markie Buck, Wilma Murrell, Gene Sharpf and John Halcomb as Student Council members. This proved a busy year. Class rings were ordered and received. To add to our banquet fund we sold magazine subscriptions and candy. The high lights of the year were giving the play "We Shook The Family Tree," and the Junior-Senior banquet, which was held at the "Wings" in Rantoul. The theme carried out was "The 49ers."

In our final year we have been busy making all the final preparations for graduation and spending many hours publishing the annual. Gerald Roberts served as president; Gladys Poyner, vice-president; Marcella Criblez, treasurer; and Wilma Murrell, secretary; Student Council members included Eunice Heckerson, John Halcomb, Markie Buck, and Dale Cain. The play "One Wild Night" was the climax of the year.

CLASS WILL

We, the loyal members of the Senior Class of 1950, of Armstrong Township High School, County of Vermilion, State of Illinois, Continent of North America, being of sound mind and body, do hereby declare this to be our last Will and Testament.

ARTICLE I

To Mr. Laurence, we leave a cushion for your office chair.

To June Burkhart, we leave just a memory of everyone calling at once, "June, will you help me do this?"

To Mr. Coffey, we leave an intelligent Geometry class. We hope!!!!

To Mrs. Fisher, we leave a quiet library so they won't worry the assembly teachers.

To Miss Theurer, we leave a tortured mind from the senior play and all her work on the annual.

To Mr. Young, we leave another winning team and a new, brilliant, red tie.

To Mr. Pemberton, we leave a popcorn machine. This might help the movie business.

To Mrs. Stephens, we leave our musical talent. It really should be good as we haven't used any of it.

To Mr. Gilbert, we leave a new physics class. All girls. You may have to change your ideas.

To Mrs. Walker, we leave a new canasta deck. Yours will be worn out by the time school is out.

To John Dunlap, we leave a push button system of cleaning so you won't have to walk so far.

To the freshmen class, we leave some of our ambition. Study that science!

To the sophomore class, we leave all of our fun and good times. Don't stay out too late!

To the junior class, we leave some of our basketball talent. Sorry, but you're just not good enough to beat us.

CLASS PROPHECY

As I sit here, reading my tea leaves, I see many strange things that happened to the class of "50."

Wilma Murrell is now running a fruit and vegetable stand in front of the Ludwig home and trying to keep her eye on her six boys.

Walter Cler has a job as a butler in the White House due to his experience in the senior play.

June Cundiff is working in the Aragon as a dancer. Her dancing partner is none other than our old classmate John Duncan. John had decided that dancing is more in his line than farming.

Markie Buck is now a stewardess on the Penfield to Potomac flight.

Wanda McKeon works in a circus as a snake charmer. Its rather amazing as in high school she was even afraid of a mouse.

John Marron is president of a school for girls. He was chosen for this position because of his ability to get acquainted easily. Especially with girls.

Ann Brown has a hulu dancing school in Rantoul. She first got her idea from a talk given at the Basketball Banquet in "50."

Gerald Roberts was acclaimed King of Canasta at a special banquet held in Chicago this spring.

Sheila Stites is a star baseball player on a professional team from Armstrong. It mainly consists of girls from the senior class with Sheila as their Captain.

Merle Turner is becoming a millionaire making novelty glass frame. Movie stars are his best customers as he has such a varied assortment.

Gwelda Wilber has a towing service especially useful to young couples getting stuck on side roads or running out of gas.

John Halcomb is now the Romeo of all teen agers. Many say that he is better than Guy Madison and Bing Crosby combined.

Patty Early is the captain of the Champion Bowling Team, and has made the highest score in bowling history.

Dale Cain is coaching a winning team at the U. of I. After leaving high school he went to college and continued his basketball career.

Doris Bussard is a famous opera singer. Her only embarrassing moment was when a pack of hounds came bounding into the opera house where she was singing.

An art school has been established in Armstrong, headed by Joe Smith. The specialty of the school is portraits of girls in bathing suits.

Marianne Fisher has four trained lions in a circus act. The lion are trained to keep all men at a safe distance.

Joyce Ault while raising a large family finds time to write the Gossip Column of the Royal Purple, which has grown larger than the Commercial News.

Arnold Loschen the famous undertaker has just invented a new casket made of plastic, so the person inside can see out.

Dorothy Cremeens is now a bus driver at Rankin. She moved to Rankin during her senior year, but we never dreamed it would lead to career like that.

Don Schofield owns a pool hall and is trying, with great success, to get girls interested. I believe the girls are more interested in Don than pool.

Gladys Poyner now works on the road, doing such jobs as dragging roads or building bridges. I wonder where she gets all her energy?

Julia Buck works in the telephone office but gets very little done as she is always calling to the Ellis farm.

Eunice Heckerson has become a famous Judo Expert. Evidently this comes from throwing Donnie Dale over her back at the Youth Center.

Sally Criblez calls for square dances all over the U.S. They say she is an excellent caller which is quite a difference from her high school days.

I now leave the Senior Class of 1950 as pictured --- happy in all their occupations.

THE ETERNAL GOAL

Time knows no mercy and is pitiless;
It now bids us leave these halls
Resounding with echoes
Of cherished yesterdays.
Four years ago we set upon a journey;
"Commencement" was our goal.
Today we start once more
Still greater heights to scale
With yesterdays to back us
And the future to obtain.
We hesitate, think back.
Yet, we know we must not falter
For we have as lucid goals,
On life's road to reach,
New situations, new friends,
And beyond this—our life,
A supernatural goal, in reality
The source of tomorrow's life—
God's eternal love.

The next year forty-two members returned as sophomores. Pat Ervin served as president; Vernon Busboom, vice-president; and Elsie Collins, secretary-treasurer. They aided the freshmen in giving the Annual Christmas party for the rest of the school.

This year they are busy planning the banquet. Along with this they have completed their play and magazine sales. The officers are: Carolyn Gitzen, president; Jon Ellis, vice-president; Tom Buck, secretary; and Vernon Busboom, treasurer. Student Council members are: Betty Arnold, Patty Ervin, Lee James, and Gerald Brown.

SOPHOMORE HISTORY

The officers chosen were Ronnie Meitzler, president; Gerry Hogue, vice-president; Onabell Martin, secretary; Donna Weinard, treasurer; the Student Council members were Barbara Gordon and Jim Whitt, and their advisors were Mr. W. I. White and Mrs. Earline Gardner who aided them in sponsoring a Christmas Party for the rest of the school.

This year the silly sophomores returned a little more accustomed to the school. The officers elected were Charles (Doc) Brown president; Onabell Martin, vice-president; Barbara Gordon, secretary; Ronnie Meitzler, treasurer. Student Council members are Donna Weinard and John Plotner.

FRESHMEN HISTORY

This year thirty-two freshmen entered Armstrong with big grins on their faces. They were considered green to the upper classmen, but soon they were part of us. The officers elected were Jerry Cain, president; Russell Ault, vice-president; Barbara Halcomb, secretary; Jessie Hersey, treasurer; Student Council members, Pat Rice and Norman Busboom. They all enjoyed the regular freshmen party, which was given for them by the Student Council. It was a weiner roast in Potomac Park and skating in Munice.

STUDENT COUNCIL

The Student Council has sponsored several social activities this year. Among their activities, the Student Council gave the Freshmen a party September 22 at Muncie, Illinois. The biggest event of the year was the "Mistletoe Ball", which was held December 23, 1949, in honor of the alumni. The gym displayed its holiday spirit with its dropped ceiling, mistletoe, evergreen, and Christmas tree. Jerry Parker and his orchestra furnished the music. Another dance during the year was held in the gym October 28th. Prizes were given to the best dressed and every one danced in their stocking feet to the music of the Dreambeats. At the Sadie Hawkins Dance, February 24, the girls chose their own partners and Lester Booher furnished the music.

The Student Council has sponsored several recently released movies among which were, "How Green Was My Valley," "Sitting Pretty," "Captain Eddie Richanbacker," And "Green Grass of Wyoming." In order to raise extra money, they invited the grade school to one of the movies and gave an evening performance of another.

Gerald Roberts and Eunice Heckerson were named valedictorian and salutatorian, respectively, of the 1950 graduating class of Armstrong Township High School. Marianne Fisher and Sally Criblez had third and fourth high averages. They are pictured above, left to right: Eunice Heckerson, Gerald Roberts, Marianne Fisher and Sally Criblez.

D.A.R.
Marianne Fisher
has been selected

"Good Citizen of Armstrong Township High School for the current year, through her demonstration during her entire course of the qualities of dependability, Leadership, Service, and Patriotism."

GLEE CLUB

The boys and girls glee clubs put on a Christmas Cantata entitled The Holy Birth on December 18th, 1949. The girls wore pastel colored formals and the boys wore dark suits and light ties, which made a good contrast on the stage.

On April 1st, the boys and girls glee clubs went to the District music contest at Champaign Senior High School, Champaign, Illinois. The boys selections were: "Steal Away" by Marshall Bartholomew, "Old Ark's A-Moverin" and "In Silent Night" by Robert Gibb. With six schools to compete against, the boys placed 2nd. The girls chose as selections the following: "My Love Dwelt in a Northern Land" by Edward Elgar and "Ciribiribin" by A. Pestalozza. They placed 3rd among 13.

F.F.A.

The F.F.A. year started with the election of officers who received the traditional F.F.A. jackets. Informal initiation was held October 5th in the gym and farm shop. The freshmen were slightly nervous before the evening was over. After an evening of fun and excitement everyone agreed the freshmen deserved to be F.F.A. greenhands. Again this year our F.F.A. had a basketball team. The treasury bought the team new jerseys. The team went through the season undefeated.

To make money this year the FHA girls have sold pop, sweatshirts, T-shirts, basketball purses, Christmas and greeting cards.

Rodney Dodd is a healthy young man who, because most of his ancestors have been neurotic refuses to believe he could live a healthy normal life spending most of his time in a wheel chair. All is well until Aunt Myra Dodd and Charlotte Allen is a vivacious young girl, who so overwhelms Rodney that he at once lapses into a state of vertigo. By means of Jodwillow's Willow Chlorophide all proves to be quite a wild night.

Directed by Mary Theurer and Tom Young

TOURNAMENT GAMES

The Trojans fought steadily until they defeated Schlarman the first evening of the Paxton Holiday Tournament. The next evening they battled courageously against Rantoul but were unsuccessful. In the finals they came back with good spirit and lots of fight for a victory over Paxton to place third in the tournament.

Armstrong, who drew Bismarck in the County Tournament, was rated the underdog. Many people were greatly surprised when the Trojans came through with four wonderful games, three of which they won by a good margin. The players and fans were greatly disappointed when they lost by one point after a tough game with Oakwood, placing Armstrong second in the County Tournament.

In the Regional Tournament the Trojans really showed their superior ability and training by coming through with first place after topping Watseka, East Lynn, and Rossville.

Because this was the first time Armstrong had been in the Sectional since 1939 many fans attended a celebration after the Danville-Armstrong game consisting of fire works and a dance at the Community Center. Music was furnished by the Dream Beats.

A few weeks later Armstrong had one of the largest athletic banquets of its history honoring the team, Coach Tom Young, the Cheerleaders, and managers. Gerald Roberts was selected by his teammates to receive the first annual Frank Radermacher Sportsmanship Award. The honor was based on courtesy shown to the coach, faculty, players, and officials both on and off the basketball floor, and on co-operation with the coach and his teammates.

Victory in the Regional sent the Trojans, and all of the Armstrong fans, to the Sectional at Urbana. Armstrong showed improvement since the Holiday Tournament by eliminating Rantoul the first evening. The next night the Trojans were overpowered by Danville, placing Armstrong second in the Sectional.

Carl Fisher won the Award given by Dwight Watkins for the player who made the highest percentage free throws. He hit 29 of 44 for a .659 average. To be eligible for this award a player must shoot at least 20 free throws.

CHEERLEADERS

Cheerleaders Ann Brown, Betty Coffman, Gerry Hogue, and Onie Martin did a fine job of preparing the team and students for games by their well planned pep meetings.

They always kept everyone in good spirits during the games with their hearty cheers.

MANAGERS

Managers John Fruhling, Lloyd Hillery, and Charles Brown assisted Coach Tom Young tremendously during the great 1949-50 season for Armstrong.

BASEBALL

The Trojans won the first game of the season with Rankin by a score of 9 to 1. East Lynn was the next victim on the list by a count of 11 to 9.

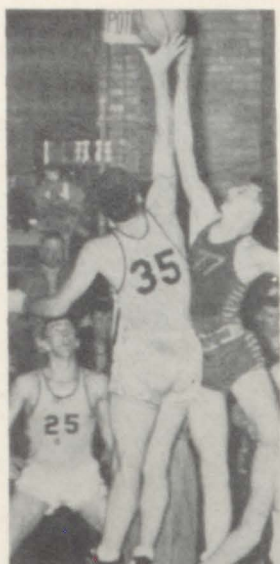

They next journeyed to Henning where they won 8 to 2. Our old Rivals from Potomac were our next visitors to the Trojan bowl and this proved to be a good ball game. Final score--Armstrong 6, Potomac 2. The boys laid it to Ogden by the tune of 16 to 2. Then came our downfall when we met Bismarck for the conference title and they proved to good for us. The boys played a good game but were defeated 8 to 2. This brought the season to an end with 4 wins and 1 loss to place Armstrong second in the North Vermilion Conference.

FAREWELL TO THE SENIOR ATHLETES

Our Senior stars in sports this year,
In baseball and basketball others did fear.
But the Trojans, they could not defeat,
'Cause we had a team that was hard to beat.
A better player you could not find,
Than Dale---he's tops in this line.
Don, our guard, saved many a game,
His temper was mild, his playing not the same.
Gerald won the sportsmanship award;
A pivot man, he was our forward.
Mont and Merle were on our baseball team,
They're two players we could not redeem.
Our Seniors are leaving the 24th of May,
Good things about them the people will say.
But the rest of us are proud as proud can be,
Since better athletes we never shall see.
To you, Senior boys, we say farewell,
For we all know--you've really been swell.
